

Dental Insurance

Tel Hai offers one dental plan through Guardian. It is a PPO plan. The plan allows you to use in-network or out-of-network benefits. If out-of-network dentists are used, you will be responsible to pay the difference between Guardian’s allowed amount and what the dentist may charge, also known as “balance billing.” Please use group number **542044**. This is the only information needed to access your dental coverage. You will not receive an ID card.
